

Real Estate Companies in Kenya - Premium Directory

Developers, agencies, investment firms and property platforms with clickable websites

Prepared for reference use - 2026-04-29

Verification and Use Notes

Official status, licensing and product details can change. For official use, verify directly with the relevant regulator and the institution before making financial, investment, recruitment or publishing decisions. Clickable websites are included for convenience and should be checked again before publication.

Reference note: Real estate companies and platforms are not one uniform regulatory category. Confirm company registration, professional licensing, title status and project approvals before engagement.
